

**PARENTAL APPROVAL FORM FOR STUDENT DRIVERS
TO AND FROM ATHLETIC EVENTS**

It is to be noted that St. Mary's Ryken High School provides transportation to and from all athletic events. Carpooling to and from these events is **not** the norm for transporting SMR student/athletes. However, there are times (eg., tennis team practice at Wicomico Country Club or an evening basketball game at a local high school) when it is most convenient to parents for students to drive to and from athletic events since St. Mary's Ryken draws students from all areas of Southern Maryland. All student/athletes are required obtain parental permission **to drive** or **to carpool** to and from various athletic events, provided such athletic events are approved by the school administration. Understanding this,

to drive to athletic events.

3. I hereby give my consent for _____
